ABASIAMA'S FEBRUARY 2020 REPORT FROM CAMEROON

Dear Brethren, we are glad to bring you our greetings from the central African country of Cameroon. It is always a refreshing moment of reflection whenever the opportunity comes for me to share with you some of the good things the Lord has accomplished through our work despite the bad circumstances in Cameroon. As you know, Cameroon is a very difficult environment to spread the Gospel. During times of "peace", the people are comforted with a wide variety of debauchery, especially drunkenness. In times of war, as it is currently the case, the average Cameroonian still maintains the culture of running away from God in preference for Makossa lifestyle of "eat and drink, for tomorrow we die". In the context of this apparently unchangeable reality in Cameroon, the preaching of the Word of God is a very tough job to do. We have chosen this path not because it is easy, but because it is hard. Our commitment is consolidated by the

frequent homecoming of souls from the darkness in the country to the light in the church. Even though we didn't baptize anyone in February, we still hope that the campaign we carried out in the period under review will bring the expected harvest of souls for Christ in the months ahead.

As you can observe from the pictures, the orphanage ministry is engaging. We are busy trying to keep them in good frame and mind and body. We have special classes to teach them the Bible. We keep them up in their schoolwork. Taking

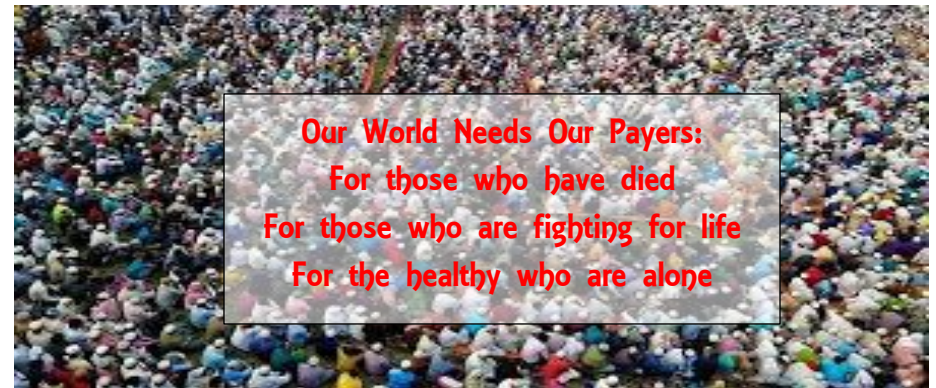

care of these kids whose lives were horrified by war and homelessness, is a daily challenge that demands a lot of care and courage. We will always thank you for the encouraging support which has been extremely helpful for the upkeep of the kids. Your Christ-like demonstration of kindness explains why the smiles on the children's faces are boundless.
