Pray for Savannah

Fort Pulaski

We in Ellabell faced Hurricane Irma, As I write this, many are still without power and some have no homes. The entire Savannah Area was hit by Irma. The

devastation will be felt for many months to come.

This deadly storm has caused many in Florida and Georgia to lose power, water, homes, and some even their lives.

For those outside the path of this hurricane, please pray for those effected. There are many who may never recover. We in Ellabell remained

safe. The storm passed far to our west. It was enough here to cause power outages and damage to our coasts. Our family

lost power Monday and it did not return until this past Wednesday. It did come to the Church building, however, in time for Bible Study at 7:00 pm.

Several lost trees. There were some with property damage but all at Church are safe.

Email from Nigeria

Tom is currently in the USA to meet with supporters of the school with his school President. It does not look as if he will be able to come to Ellabell this trip as he must travel with his President. He did send an email. Please pay special attention to the end. Joe

Hello brother Holloway,

Greetings to you. I thought as much the difficulty of your movement. On the 8th of October, I will be at Gadsden, Alabama. Well, if it does not work, you should not bother. I do not so much control over my movement here. I will come back purposely to visit with you, Donna, Mom, Dad, Ellabell family and our supporters soon. I have spoken with sister Wilma. We will be going to Beebe Arkansas on the 4th. I

hope to see her there. I will leave the things I have Donna with Wilma to send them to her. By the grace of God I will save money and come back. I have two years visa. I just have to return now to take care of my class, and meet with the young congregations at Foron. One more thing, please, do remember us in prayers. My wife called this morning that trouble has erupted in Jos. Killings have started again. I will however let you know of my movements.

Grace and Peace,

Tom
