REPORT FOR THE MONTH OF JUNE 2017 (TOM EKPO JR)

My very dear brethren, on behalf of my family and the brethren here in the Northern, I greet you all in the Name of our Savior Jesus Christ. I thank God always for His grace given to us, His immeasurable love and the privilege given to us to become His children. I appreciate Him for using you to assist us materially and spiritually. You have stood with us contending for the common faith delivered once to the saints, here in Africa. May God never forget the labor of love you have demonstrated in His work in Africa. The first half of the year is gone, and we are into the second half. It is as if the year started just yesterday. It is time to re-evaluate our 2017 goals to see if we are on the track.

I appreciate you all for your prayers. Nigeria is witnessing a situation that some of us have never experienced in our life time. Life has become so difficult that people get involved in all kind of things just to survive. Last month, I read of a woman here in Nigeria who sold off her three children for \$100 each. Insecurity of life and property is already a challenge, now economic affliction. How long this will last, no one knows, as the economy has further worsen from recession to depression. One thing I know is that the thought of God towards us is that of good, not that of evil. He has a purpose for all of these. During the month of June, the Muslim inhabitants of the Northern Nigeria gave the Christians 90 days ultimatum to vacate the North. Well, I know not what this will turn out to be at the end, but I know God is watching over His children. Please, keep praying for us.

During the month of June, I taught 5 Bible classes at Mazah Road Church of Christ on 1 Corinthians (Fridays), 4 Bible classes on Sundays at Foron

The Church in Foron

Mission Church of Christ (Theme: worship), and 4 Bible classes at Ring Road Church of Christ home fellow on Tuesdays (Book of Acts – Paul’s ministry). I have a couple of ongoing studies with my prospects. Continue to have us in your prayers. I mentioned to you sometime in May of a young girl who came to serve the Nation under the National Youth Service Corp program of the Federal Government. She has since completed her program, and the Church in Foron will miss her dearly. While at Foron, she helped in teaching the children class. She was always part of our weekly evangelism program. The church organized a small parting ceremony on her behalf.

The young woman is standing at the back wearing white. You can see me and my wife wearing the same color of material. She has since left Foron, but she calls every time to express her love for the church.

Brethren, once again I say thank you to all of you for your love. May God continue to bless you individually and collectively.
