Dear Ladies,

I hope that this finds you all doing well. We had two families that caught the virus but are better. They did not come to services when they found out they had it. Those that come wear masks and sit apart from each other. It is law that all wear the masks in public places for the grownups.

Roland baptized Mrs. Aissatou Rescan into Christ on July 11, 2020. I've enjoyed getting to know this sister better from Guinea Conakry, living in France now and married to Philip who is Catholic.

Her sister in Nigeria now has since obeyed after studying with her sister and David from the church there. In Togo ,

her son is being studied with and we hope in time that he also will be obedient.

Stiven studied with his cousin and Brother Roberto baptized her in Mallorca Island. We rejoiced as she had stayed with us in Paris in the past.

The Malaysian sister Annie from Dijon had to go back there to study. We enjoyed her here but a year passed quickly.

More people are being tested and have the Covid 19 Virus. Our Rose Mary since working again as a nurse's aide in the hospital has been tested 3 times, but doesn't have it. In Sept she will be off of work to get her feet operated on. Thank you for the prayers for her and all the sick.

We are still using Zoom for morning and evening classes and worship but some of us meet at the building as before, only wearing masks and keeping distances. Ria Cumming our eldest member was rushed to the hospital with

a bladder infection and had lost a lot of weight. She caught the virus while in the hospital but it now doing better from

it, but is 92 years old, and is not eating very much. Pray for her and her children, Alexandre and Mirelle.

I haven't been able to see my doctor since December. Fortunately the pharmacy is renewing the medicines. Thank you for the prayers and help for the Lord's work here and other places. Praying for all of you and hoping that God will have mercy and take this virus down.
