REPORT FOR THE MONTH OF OCTOBER 2017 (TOM EK POT JR)

My dearly beloved, Greetings to you all. I give God the glory for His grace and mercy that have been sufficient unto us, causing us to come this far. The year that started just yesterday is almost rounding up. I appreciate each and every one of you for standing by us, praying for us. I pray that this grace will see us to the end of the year.

My journey from the second week of September to the first week of October was an interesting one, though it was very hectic on the other hand. I am glad that I back to Nigeria, to continue with my God's given responsibilities.

I was opportune to speak to the Christian Youths, who came all the 36 states of the Federation and the Federal capital territory during the National Youth Forum

in Abuja. We discuss on “Moving to Higher Ground in Our Spiritual Life.” My specific discussion was on “stepping up on our effort to take the world for Christ.” We considered the challenges confronting our evangelism

outings and the way forward. It was a rewarding moment. We went out knocking doors. As common to big cities, it was not easy to get

people’s attention to discuss the Bible with them. But reach those out to many who were available.

Our weekly evangelism outreach at Mazah and Foron mission is ongoing. We discussed last week at Mazah on new methods we need to adopt to reach out to people in view of our challenges. The Devil is working hard, and we have to work harder if we must make positive impact in the world for Christ. My Friday class on the book of Acts, strengthening the saved is ongoing. Here, we strategize on bring the lost to Christ and keeping the saves saved. At Foron, we focus on getting the children. I developed a curriculum that will grow children in knowledge of Christ. As I mentioned, we are not focusing on the children of members, but we have some children from the community come in to learn about God. We take this advantage

because we observed that the denominations around do not have classes for the children. And children are eager to learn than the adults. We hope we will reach their parents through them as well as sow the Word of God in them.

I appreciate your individuals and collective contributions to this work. May God’s blessing reach you all.
