## Dear family in Christ and friends,

It's our upmost prayers that 2017 was off to a good start for you all families and church and we are always grateful unto our Father that you are always mindful of us in your daily prayers and make possible for us to continue to share the gospel to lost souls of the French world for so many years. 2017 will make our 38<sup>th</sup> year in the field.

January was busy with running to the city hall so we could get a building permit so the company can start working on the front of our building. After nearly 3 months of waiting, we finally got the permit. But because cold weather we had to wait till end of February so they could

start the work, and it will probably last for at least two months if not more. We will be glad when it be over.

Brother Ken Wilson is coming the first part of April to try to start a church plantation in Caen so he will be with us but mainly to be in Caen with Brother Steven Mendez! I have been preparing tracts and brochures for distribution.

Another good news is that Brother Haston Handley and Brother Scott Ingram both students at the Memphis School of Preaching will be coming to be with us and check out the work and will also help us in Caen. Brother Haston is the son of the elder of one of our supporting congregations in Tuscumbia, Alabama.

I am grateful for these young men willing to come and help us. I am continuing my Bible study with Cecilia, a student of law, and she has been coming regularly to worship, sometime at the French morning service and evening English service. She was raised Catholic but does not know much about Catholicism since her parents never practice their religion. I must say that she is sharp and understands quickly, not only she studies with me but also follow a BCC. I was pleased to hear from her own mouth the fact "That she knew know that she was not a Christian and needed to be baptized for her remission of her sin, to be one. I offered to baptize her right away, but she decided to wait little longer. It's my prayer that she will soon make her decision.

My studies with Brother Rubenson (20 years old) are going well and must say that he is spiritually growing fast. He comes almost every day for a Bible study with me. Presently I am studying with him all about how to become a Bible class teacher's helper since he expressed this desire and I encouraged him to do it.

In February I worked on lots of brochures and tracts and printed lots more than usually. Between the month of January and February more than 1,100 tracks were taken from our building.

On February the 8<sup>th</sup> I baptized Emelyne Linot Moïse, a 20 year old young woman, so we have a new Sister in Christ! Her baptism is the first baptism for this year. On a Wednesday afternoon as I was working on brochures a young woman came in and presented herself as Lena Blagodorna from Ukraine. She said that

she knew me and Rose from 10 years ago, and that she was here in Paris working with an Ukrainian family and was happy to know that we were

still here. After working on the brochures, we invited her to come and stay for supper with us.

She told us that she did not know how long she would be Paris until the Ukrainians she is working for, decide to go to another country. She was able to stay with us only one month. Sister Colette Chao been helping me with brochure and tracts. With the website In January 4,789 people visited our website from 86 countries and in February 4,878 people from 89 countries.

Several members of the congregation are sick and need our prayers. Brother Paul Besse after having brain tumor surgery , now has cancer in his two kidneys , one more than the other so they will remove one and try to save the other.

Jean Fénéstil who received a kidney transplanted five years ago, now is rejecting them and therefore is back on dialysis. Colette Chao's mother will have carotid surgery at end of March, the artery is 85% clogged. Let us continue to pray for them.

In the past few weeks we had several visitors in our evening worship, a couple from Brazil Augusto and Marley Pereira from Recife, and we also had visitors from Texas, Saint Louis, Missouri, New Zealand , from the Philippines and a military couple from Germany. We are always grateful when brethren from different parts of the world visit us and we always warned them to be very careful with pick pockets because there are alot when Springtime and warmer season comes.

I am continuing to teach through Imo or skype every Wednesday night the church in Cameroon listens to our Bible class.

Beloved family in Christ we are grateful unto God and unto you all for our partnership in spreading the Gospel in the French world. May God richly bless you through 2017.

In Him, Roland
