REPORT FOR THE MONTH OF JULY 2017 (TOM EK POT JR)

Dearly brethren, greetings to you, your families and congregations of the saints all over United States. I remain grateful to God for saving us from the curse brought about by the Devil. Knowing God is one important blessing sometime we do take for granted. We must continue to cherish and uphold our faith against the fast erosion of Christian belief and faith that is confronting us daily. We must stand up for the truth now and forever, so that we can relay the pure Christianity to our next generation. We appreciate each and everyone of you for your continuous prayers and support for the work of God in Africa. May our Good Lord continue to bless you all in wonderful ways to will surprise you.

The month of July is the peak of rainy season Nigeria. Several homes have been brought down in different places, many farms have been submerged, and lives have been

claimed by flood. We thank God because we are still alive to testify of God's goodness. My corn farm unfortunately was taken over by flood, but I am glad.

We are grateful to God for seeing my second son through high school. He wants to study computer science in the University. I pray that God grant him admission into university to further his education. Below is his graduation picture in his academic regalia.

*Congratulations

Class of 2017*

*Your Brethren
at Essabell*

My Bible class on Sunday morning with the Ring Road Church of Christ has entered the second month. We are studying Peter's ministry in the book of Acts 10-12. The class is interesting as many issues are being raised. My Friday class at Mazah continues. I also teach another class on Tuesdays on the book of Acts. The Mazah congregation has requested that the same lesson be taught to them. So I will be commencing a study on the book of Acts with them come

this Friday by the grace of God. My students at the School of Biblical Studies are returning to school this August. Please, do commit them to God in your daily prayers so that the grace granted unto us last session will be extended to us this session. I attended the annual lectureship of the Nigerian Christian Bible College at Akwa Ibom State last week. It was a four days event filled moment. Spiritual lessons were delivered. I will give you the detail of this August lectureship in my next report. Nigeria is full of insecurity, it is only God that can protect us. Please, pray for this nation, especially for the Christians in this Country. Once again, I say thank you for standing by us in echoing the message of salvation to the lost in Africa.
