Greetings to all of you in the Precious Name of Jesus.

While the covid19 still takes people's lives, the power of the Gospel gives life to those who obey it. Romans 1:16 and 1 Corinthians 1:18; 4:20. It's with great joy that three precious souls were added to the kingdom of God one here in Paris and the other ones in Mallorca Island and in Nigeria .

The prophet Isaiah says: in Isaiah 55: 11 “ *So shall My word be that goes forth from My mouth; It shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it.*”, and in the book of Acts

Therefore, my dear brothers and sisters, stand firm.
Let nothing move you. Always give yourselves
fully to the work of the Lord, because you know
that your labor in the Lord is not in vain.

1 Corinthians 15:58

17:26-27 ²⁶ He made from one the whole human race to dwell on the entire surface of the earth, and he fixed the ordered seasons and the boundaries of their regions, ²⁷ so that people might seek God, even perhaps grope for him and find him, though indeed he is not far from any one of us. ”

In the last part of June Mrs. RESCAN Aïssatou contacted me by mail and asking for Bible study, telling me that she was in contact Barry Bagget in charge of The World Bible School In French. I told her no problem Madame, just send me your address I will send one right away, which I did the same day. In my mail I asked her if she would not mind giving her phone number, which she did. So, the following day I called her and talked with her, wanting to find out what was her background.

This lady come from Guinea Conakry married with Catholic French man, for the past twenty years and living in the suburb of Paris. She told me that back in her country she was raised as a Muslim but in order to have free schooling she went to the Assembly of God in her village were her brother was a member, she was baptized by them but once in France she was invited by one of her friends to a Baptist church.

She was with for seven months but never joined them , because of two things the first one was the fact that one Saturday night she was invited to attend a meeting, in her mind she taught that it was going to be a Bible study, but it turn out that it was a dancing party , she was shocked and never returned since then: the second reason was is the fact that she knew that they did not teach the truth about salvation.

Her search for the truth is an interesting story. Knowing from her own study that her baptism was not in harmony with the Bible teaching, she searched through the internet and after visiting several websites of the

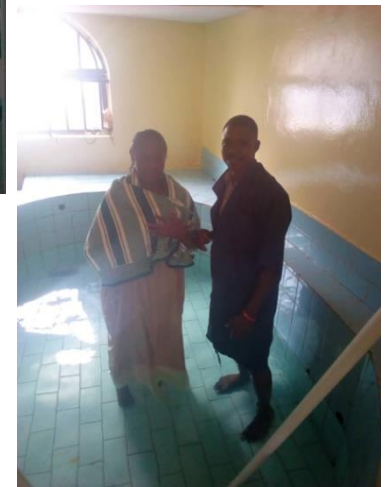

denominations, she came across the World Bible School in French. After few Bible studies with her, wanting to make sure that she understood what she was doing, she finally expressed the desire to be baptized for the remission of her sin and to be added to the Lord’s Church. which she did on July the 11th.

work , and that she has been talking to her about the Lord’s Church, since she did not know of any Church of Christ I told her, "No problem I will put her sister in contact with a minister of the Church". I

immediately contacted brother David Evangelist in Lagos; meanwhile I sent her sister a Bible correspondence in French. Brother David contacted one of the preachers in the city of Abuja which is located close to 600 miles from

She been coming to worship and two to three times a week I study with her through Skype or by phone. Our new sister is 49 years old and her husband's name is Phillip. Sister Aïssatou told me that she had a sister recently moved from Togo to Nigeria for her

Lagos , after meeting with Diarjou Barry, Aissatou's sister studied and finally obeyed being baptized for the remission of her sin. I keep sending her French teaching materials so she continues to grow spiritually. She has a son in Togo, Yannick Barry, 27 years old, so I contacted someone from the Church there so he can study with him. I pray that he will obey the gospel.

The cousin of brother Steven Mendez from Caen, who lives in Mallorca Island and stayed with us for 3 days, expressed her desire to put on Christ in baptism. Brother Roberto whom I studied with while staying with us in Paris, studied with Stevin's cousin. Since Steven was on vacation there he baptized his cousin. Praise God for this good news.

Sister Annie, from Malaysia who had visited us five years ago, placed membership with us, until her departure for Dijon, France to continue her studies there. We sure enjoyed having her with us.

Since the Covid19 virus is strongly coming back, we are still meeting using Zoom , but some of us are meeting again in the building for the morning worship and the English evening worship. The morning attendance we have an average of 30 to 40 present and 30 to 38 families follow the worship by Zoom. For the English worship we have between 8 to 15 present and six or seven families follow by Zoom. When we will be able to start to meet like we did before the Cov19 started only the Lord knows.

On Wednesday evening I have a class by Zoom for the congregation, and on Tuesday evening I have a Bible class with the Church in Cameroun where brother Simon Parfait and his congregation are and also with a family in Italy.

I have started to prepare a class for September for the ten a clock morning Bible class which the title will be "The Unfolding Truth of God For The World". For the other Sunday Bible class, we are waiting until September to see how many families are willing to come to the building and how many children we will have. Another thing is the fact that the law allowed us to have a maximum of a total of seventy in the auditorium.

Needless to tell you, that since the covid19 showed up, cost of living in France has increased greatly. The only thing that went down little is gas prices. Rose and I are very careful and try to stay away from crowds of people. So far two families of our congregation have caught the Covid 19 virus.

Our oldest member Ria Cumming 92 years old, was taken to the emergency for infection, she lost so much weight that she only weight 37 kilos and to add to her problems she caught Covid 19 right in the hospital. She is doing some better and we covet your prayers for her and the sick. We are grateful unto you all for all the spiritual and financial support that you are provide to us so faithfully every month so we can continue to teach lost souls of the French world the saving message of the gospel . May God continue good to bless you good spiritual and physical health and protect you from the virus.

In Him,
Roland
